Referring a loved one or a close family friend to the right professional is one of the biggest compliments you can give. It says, "I am willing to place my name behind this person." With confidence, Perception Real Estate has placed its trust in these people, and every so often, we find yet another business owner that we feel strongly about to pass along to you. We hope you find this referral directory useful.

In that same vein, our firm works completely by word of mouth as well, and it is by your kind referrals that we are able to serve in our community and help those around us. We will see to it that they not only get the service they need, but the service they deserve. We look forward to receiving one of those referrals from you in the future.

Here is to a fantastic 2024.

Besides being an accomplished listing agent across several neighborhoods throughout the Bay Area, Darryll is also an Accredited Buyer's Representative. The ABR® designation is for real estate buyer's agents who focus on working directly with buyer-clients at every stage of the home-buying process.

By choosing to work with a Brokerage such as Perception Real Estate Group, Inc., buyers will have more confidence in their buying experience as they'll be working with a broker who goes the extra mile. Because an ABR designation doesn't just signal an agent's robust real estate knowledge, but their best-in-class service as well.
